Little Spoon waited by the blue bowl.
Moon peeped through the window.
In the bowl's still water—
a little moon!
"Hello, Moon," whispered Spoon.

Spoon dipped a tip.
Wibble, wobble.
The little moon wobbled too.
Spoon lifted up.
Drip, drop.
Where did the little moon go?

Spoon waited.
The water grew still.
There it was.
"Hello again, Moon."

A gentle hand lifted Spoon.
A soft towel dried Spoon.
"Home now, little Spoon."

Moon in the sky.
Bowl on the shelf.
Spoon in the drawer.
"Goodnight, Moon."
The End.
